Applicants' representative contacted the Examiner on August 15, 1997 to inquire as to the status of the application and was informed that the Declaration had not yet been received. Applicants' representative and the Examiner agreed that Applicant would retransmit the papers to the Examiner directly. Accordingly, Applicants transmit herewith copies of the executed Declaration of Dr. Persing and the executed terminal disclaimer.

Applicants note further that their previous submission did not include the fee required under 37 CFR 1.20(d) for filing the terminal disclaimer and did not provide authorization to access a deposit account to satisfy the fee requirement. Accordingly, Applicants herewith authorizes the Assistant Commissioner to charge this fee and any additional fees which may be required for this application under 37 CFR §1.20, or credit any overpayment, to Deposit Account No. 22-0590. An extra copy of this paper is enclosed for the convenience of the Finance Branch.

Applicants wish to express their appreciation to the Examiner for the consideration extended to Applicants' representative and the Examiner's helpfulness in advancing the application.

Finally, Applicants submit that all claims are in condition for allowance, which action is earnestly solicited.

Respectfully submitted,
